Remarks:

RAI Amsterdam Exhibitor Services is pleased to assist you with your stand construction arrangements.

Shortly after you have received the official stand allocation, RAI Amsterdam Exhibitor Services will send you all the information to make your stand construction arrangements and order additional items. If you need any assistance regarding additional services or with completing your Stand lay out form (stand construction design/specifications), please feel free to contact RAI Amsterdam Exhibitor Services via: T: +31 (0) 20 549 1928 E: exhibitorservices@rai.nl.

More detailed information can also be found in the **Exhibitor Portal** (<https://ep.rai.nl>), section **Participation** and item **Stand Construction**.

Stand requests

Any specific requests concerning stand size and allocation have been noted and we did our utmost to meet your expectations. Please be aware, however, that the restrictions on available stand space mean that we cannot always accommodate everyone's wishes.

Uniform stand construction packages - Regulations

Exhibitors are not allowed to handle stand construction themselves. Nor are they allowed to attach any eye-catching objects outside or above the standard stand or to attach any other high or projecting objects in, on or around the stand. For more specific details please check the **Exhibitor Portal** (<https://ep.rai.nl>), section **Participation** and item **Stand Construction**.
